

ASSOCIATE PLANNER
Monthly Salary: \$5,651.97- \$7,256.68

The City of Stockton is recruiting for an Associate Planner. The Community Development Department is composed of the Planning and Engineering Division, Building and Life Safety Division, and Business Operations Division. The operations center of the Department is located at the Permit Center where the public is served in all aspects of land use, permitting, and development construction. A primary purpose of the Department is to plan for future growth, infrastructure, and service demands of the City in accordance with the General Plan; and provide reviews of proposed land use and property development in accordance with the General Plan, zoning ordinance and building and life safety codes.

Education/Experience:

Possession of a Bachelor's degree from an accredited college or university with major course work in city, regional or urban planning or a closely related field, and two years of professional planning experience at a level equivalent to the City's Assistant Planner. Sub professional or professional planning experience may be substituted for the education on a year-for-year basis to a maximum of two years. A Master's degree in city, regional or urban planning may be substituted for one year of the professional planning experience.

Final Filing Date: August 15, 2019 5:30 p.m.
