

Department of  
Civil and Environmental  
Engineering

# CIVIL ENGINEERING ASSISTANT PROFESSOR

## Tenure-Track Position

(Water Resources Engineering focus)

*The Civil and Environmental Engineering Department at California State University, Fullerton houses top-ranked academic programs including: Bachelor of Science in Civil Engineering (BSCE), Master of Science in Civil Engineering, and an online Master of Science in Environmental Engineering (MSEnVE). US News and World Report currently ranks the BSCE program in the top ten and the online MSEnVE program 1st in the nation amongst our peers that do not offer doctoral degrees. The successful applicant will have the opportunity to teach within both programs.*

*We invite applications for a tenure-track Assistant Professor position to begin Fall 2020. We are searching for outstanding candidates in Civil Engineering; particularly in the area of Water Resources Engineering. Candidates with multi-disciplinary teaching and research interests and those with a passion for undergraduate engineering education are strongly encouraged to apply.*

*Review of applications will begin on November 15th, 2019 and will continue until the position has been filled. To ensure full consideration, all application materials must be received by **November 15th, 2019**. The anticipated appointment date is August 17th, 2020.*

Qualifications include a Doctorate and Undergraduate degree in Civil Engineering or a closely related field. Application materials due November 15th, 2019. The anticipated appointment date is August 17th, 2020.
